

## New Testament Studies

# How are work & economics relevant when teaching The GOSPELS?

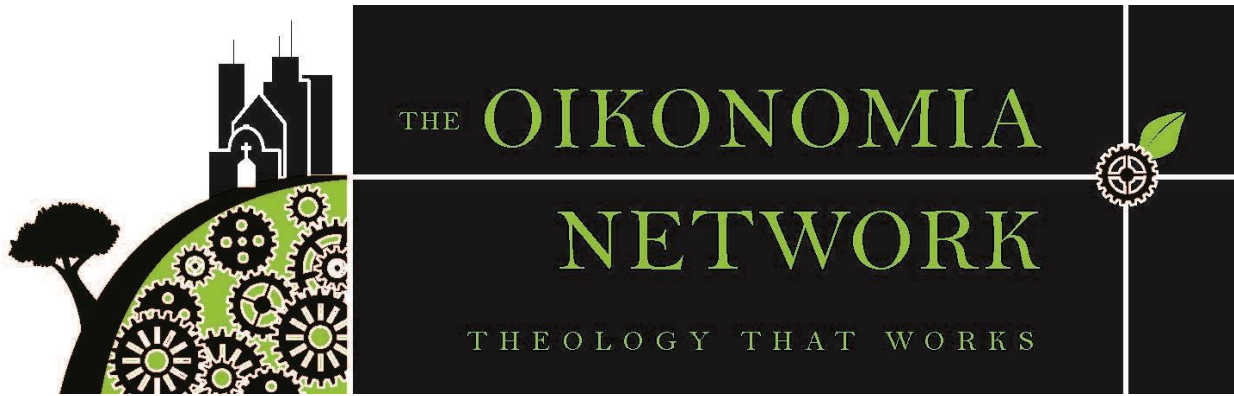

- List best book on the ethics of Jesus – to assign in our course bibliographies – email to group
- We need to draw these teachings from solid exegesis if the NT texts (relevant)
- Biblical-theological foundations for whole-life discipleship needs fleshing out through exegesis
- Need to separate what is incidental and what is intentional regarding the NT texts that present work and economics within
